3.3. Net amount means the financial value of the contract at the time of the award thereof, exclusive of preliminaries, contingencies, escalation and value added tax.

3.4. Principal Agent/ Employer's Representative means the Employer's Representative as per the GCC 2015 General Conditions of Contract.

a. ~~Designated Local contractor~~ means a contractor, based in the area of jurisdiction, who is registered with the CIDB. This contractor must be from the designated groups as defined in the Preferential Procurement Policy Framework Act, 2000: Preferential Procurement Regulations, 2017.

4. Requirements

4.1 Contract participation goal

4.1.1. ~~The contractor shall subcontract designated local contractors directly in the performance of the contract to the extent that the total financial value of such subcontractor, in accordance with all the requirements of this document, is sufficient to achieve the contract participation goal provided for in the contract. The desired target of local sub-contracting is 30% of the contract value based on net value.~~

4.1.2. ~~The contractor must submit to the DBSA Construction Project Manager details of his plan to achieve the contract participation goal in the Contract Participation Goal Implementation Plan (see annexure A), within five working days of being instructed to do so. If no such instructions are given, these plans must be submitted to the principal agent/engineer before or with the submission of the first claim for payment.~~

~~NOTE: The information contained in the Contract Participation Goal Implementation Plan facilitates the monitoring of the performance of the contractor in terms of his contract participation goal obligations.~~

4.2. Achieving the contract participation goal

4.2.1. General

~~A contractor may achieve the contract participation goal by subcontracting one or more designated local contractors to perform commercially useful functions in the performance of the contract.~~

5. Compliance with the contract

5.1. General

5.1.1. ~~The contractor must enter into written contractual agreements with all the designated local contractors cited in the Contract Participation Goal Implementation Plan and shall, as soon as is practicable, but not later than commencement of such subcontracted works and/or services, furnish the principal agent/employer's representative with copies of such agreements and the written acceptances thereof.~~

~~5.1.2. Such written contractual agreements must not contain any of the following:~~

- ~~—— a) A right to set off in favour of the employing contractor not provided for by law;~~
- ~~—— b) Arbitrary decision-making powers in favour of the employing contractor or his agent, with no recourse to independent adjudication in the event of a dispute arising;~~

- ~~—— d) Retention percentages and periods of retention after completion, which are greater than percentages and periods provided for in the contract; or~~
- ~~—— e) Conditions which are more onerous than those which exist in the contract.~~

~~5.1.3. The subcontracts to be performed by the designated local contractors shall thereafter neither be reduced in scope, nor terminated without prior written notification to the employer.~~

~~5.2.1. In the event that a contracted designated local contractor is found:~~

- ~~—— a) To be unable to perform, or to perform on time;~~
 - ~~—— b) To be unable to produce acceptable work;~~
 - ~~—— c) To be unwilling to perform work required;~~
 - ~~—— d) Not to be fit to perform the services; or~~
 - ~~—— e) Not to be creditable towards contract participation goal;~~

~~5.2.2. In such event, the contractor shall either provide a substitute designated local contractor to take over the works and/or services of such subcontract or subcontract a designated local contractor on another aspect of the contract, so as to achieve the contract participation goal. The contractor shall, in such circumstances, submit to the principal agent/engineer, new subcontract agreements.~~

~~5.2.3. Provided that the events referred to in 5.2.1 (a) to (e) resulted due to no fault of the contractor, the employer may, at his sole discretion and upon the basis of evidence submitted~~

~~by the contractor in support of fruitless efforts in good faith to secure substitute or other designated local contractors' participation, grant a waiver in respect of contract participation goal obligations.~~

5.3. Bona fides of designated local contractor

~~Where a subcontractor under contract was initially considered to be a designated local contractor but is later discovered not to be so, or is found not to be creditable towards contract participation goals, the employer may consider a partial waiver of the contractor's obligations towards the achievement of the contract participation goal in respect of such subcontractor, should the contractor satisfactorily demonstrate that he was justified in believing the subcontractor to be a designated local contractor.~~

6. Records

~~6.1. The contractor shall submit all the documentation required in terms of 4.1.2, 5.1 and 6.2 timeously as well as a schedule clearly indicating the commencement and completion dates of works and/or services to be performed by all the subcontracted designated local contractors, for the purpose of securing credits towards the tendered contract participation goal. This schedule shall be submitted together with his programme which is required in terms of the relevant conditions of contract and shall be updated by the contractor whenever a change in date occurs.~~

~~6.2. The contractor shall prepare and attach to his claim for payment, in a form approved by the employer, the following:~~

~~——— a) A schedule reflecting the total value of the subcontracts, the cumulative value of the subcontracts and the value of works and/or services performed over the period for which payment is claimed in respect of each designated local contractor.~~

~~6.3. Should random inspections conducted by the principal agent/engineer on subcontractor's activities indicate such subcontractors are not performing in accordance with the requirements of this document, the contractor shall provide, in addition to the requirements of 6.2, separate weekly resource returns and any other relevant information in respect of such designated local contractors in a format approved by the principal agent/engineer.~~

~~6.4. The principal agent/engineer shall certify the value of work completed towards the contract participation goal whenever a claim for payment is issued and shall notify the contractor of this amount.~~

~~6.5. The contractor shall, upon completion of each individual subcontractor's subcontract, issue a completion certificate and certify the amount paid to such subcontractors. He shall submit the certificates, counter-certified by relevant subcontractors, to the principal agent/engineer for record-keeping purposes and for purposes of verifying compliance with the contract participation goal.~~

~~6.6. The contractor's claims for payment may be rejected as being incomplete should all appropriate supporting documentation described in 6.2, 6.3 and 6.5 not be provided.~~

~~6.7. The contractor's final claim for payment may be considered only after the certificates described in 6.5 are received.~~

7. Penalties

~~7.1. In the event that the contractor fails to substantiate that any failure to achieve the contract participation goal was due to quantitative underruns, the elimination of items contracted to subcontractors, or any other reason beyond the contractor's control which may be acceptable to the employer, the penalties provided for in 7.1.1 below shall apply:~~

~~7.1.1. The contractor shall be liable to the employer for the payment of a penalty amount equal to Z, calculated from the following formula:~~

~~— $Z = 0.5 \times [TE]$~~

~~— Where:~~

~~TE = Monetary value of the contract participation goal not achieved. The value will be calculated by taking 30% of the net amount of the final contract value and subtracting the monetary value of the contract participation goal achieved.~~
